

```
#include <stdio.h>
```

```
int main() {
```

```
    int num;
```

```
    printf("Enter an integer: ");
```

```
    scanf("%d", &num);
```

```
    printf("You entered: %d\n", num);
```

```
    return 0;
```

```
}
```
